Overview

Discover your piece of paradise nestled on this low taxed slice of wooded heaven. This dream home sweet home offers 2.1 acres of seclusion and privacy as well as the serenity of mother nature. 4 bedrooms and 3 full baths is perfect for a growing family. Every bedroom offers custom closets with deluxe doors and hidden storage areas. Have you been considering building? This 3200 sqft dream home is better than new! Two gorgeous wood fireplaces offers warmth and romance, great for entertaining guests as well. The family room fireplace overlooks beautiful French doors, walking out to custom patio; a quiet place to enjoy nature and read a great book. New, new, new from the roof to the bright shining floors and a whole lot more. The gourmet deluxe kitchen offers a large pantry, solid granite countertops, and an abundance of custom wood cabinets. Completed luxury includes a Jenn Air stovetop oven with down draft. Enjoy family gatherings in spacious dining areas including dining room and not 1 but 4 out door amazing patios ideal for all your party plans or family gatherings. The master suite is truly masterful. It includes private bath, eloquent in every way. His and hers closets and spacious elegance. 3 more bedrooms make this a wonderful family home. Must see amazing custom oak staircase, wide and flowing upstairs. Stay cool and comfy with not just 1 but 4 mini split built in air conditioners perfectly located around this home. There is a 3 car garage attached with peg board for tools. More storage in the 1 car detached garage. Even the driveway is special with custom trailer pad area with colored bricks. Attention to detail in this home which is second to none. Full house water filtration system also comes with this mini mansion. A true diamond in the Cul-de-sac.
