Overview

This property is perfect for those that love to enjoy everything the Ozarks has to offer. It is centrally located such that a short drive gets you to the beautiful Norfolk Lake, cities of Mountain Home or West Plains, small towns of Bakersfield or Gamaliel, or the popular Cloud 9 Ranch in Caulfield, MO. There is plenty of room to roam with 23 m/l acres of wooded land to hunt, explore, harvest, or expand. The home has been nicely maintained and there is an adorable matching 320 sq/ft storage building that can be used for lots of storage or could be converted into a small cottage or playhouse. With highway frontage, you don't have the nuisance of dusty, muddy, gravel roads, yet you are near some of the most beautiful views in the Ozarks! This property just had an appraisal completed (7/23/24) and is being listed BELOW appraised value! What a great opportunity to own a house and acreage in the Show-Me State!
