## Overview

Located on 27 acres of prime hunting land in northern Jackson County (aka big buck country), this 1,800 sq ft home features 3 bedrooms and 2 bathrooms on the main floor, complemented by ceramic tile in the living areas and laminate wood flooring in all bedrooms. The open floor plan provides ample room for gatherings and daily living. The full, unfinished walkout basement has a half bath with plumbing and drain installed for a shower, a wood stove for supplemental heat and two egress windows for future bedrooms. Upgrades include a large deck, retro-foam insulation, security system and jacuzzi tub in the primary bathroom. Property features include over 2 miles of walking trails, a large pond, 48' x 49' pole barn, chicken coop, woodshed, two custom-built 6x6 elevated hunting blinds, ground blind, screened outbuilding, food plots, and over 150 apple, crabapple, persimmon and chestnut trees as well as 200 chokeberry and thicket plumb shrubs for which deer, turkey, rabbit, pheasant and birds love to eat. This is a hunter's paradise!
