Overview

Welcome to this beautiful 2-story home in the sought-after Stonebridge Valley Subdivision of Frankfort! Custom built in 2022, this home offers 5 bedrooms, 4.1 bathrooms, and a well-designed floor plan perfect for modern living. The heart of the home is the bright and spacious family room, featuring a dramatic 2-story ceiling and a stunning wall of windows that fill the space with natural light. The family room flows seamlessly into the open-concept kitchen, which boasts a large island, custom cabinetry, granite countertops, and stainless-steel appliances, creating the ideal space for both everyday living and entertaining. Additional main floor highlights include a formal living room, a private office, a mudroom, and a related living option with an en-suite bedroom. Upstairs, you'll find 4 more spacious bedrooms, including a large master suite with 2 walk-in closets, a luxurious shower, and dual sink vanities. The second floor also offers 3 full bathrooms and a conveniently located laundry room. Interior features such as custom moldings, upgraded white trim, 2-panel white doors, and neutral decor create a warm and welcoming atmosphere throughout. With a full unfinished basement, 400+ AMP electric service, and zoned heating and air conditioning, this home is practical, stylish, and comfortable. Outside, the oversized, well-maintained yard features a large patio-perfect for outdoor activities. The finished, heated 4-car side-load garage offers

ample car/storage space. Nestled in a scenic community with ponds and walking trails, this home is minutes from shopping, dining, parks, and top-rated schools. Come make this wonderful home your forever home!
