Overview

This 1910's beautiful home preserves the original charm and is full of character! Original solid wood doors and double base boards throughout the house. You can enjoy a cup of coffee on the covered front porch. Walk into the beautiful foyer w/custom millwork and original stained-glass window w/solid wood frame. The spacious living room has a full masonry fireplace and marvelous stained-glass windows with display ledges and match the one in the foyer. The living room opens to the dining room which has a solid wood framed bay window. The kitchen is next to the dining room and boasts updated backsplash. The rear door in the kitchen will lead you to the nice big backyard w/a covered deck. You can enjoy a BBQ party w/your family and friends. The unique staircase with a handmade banister and decorative balustrades brings you to the 2nd floor w/2 beds and a bonus room. The bonus room can be a playroom or guest bedroom. The walk-out basement is finished w/full bath and kitchen. New Furnace and HVAC.
