## Overview

REMARKABLE PROPERTY READY TO MOVE RIGHT IN!!! This property is classified on public tax record still as a 2 family...however the former owner pulled a permit to convert to a single family...and did so. This home is huge and has a ton of possibilities! It would be on the buyer to do their own due diligence if they wished to put it back to a multi-family...however the seller would not wait for town approvals if they were required. This amazing property has: left side 1st floor LR, DR, kitchen, full bath, upstairs 3 bedrooms, 1 office, full bath. Right side has 2 bedrooms, 1 office, large family room, full bathroom. The 2 office rooms do not have closets but buyers could use them as they wish. This truly will not last long...see it today!
