Overview

This stunning one-owner home boasts breathtaking ocean views from multiple rooms. It features brand new flooring on the main level, fresh carpeting upstairs, and a beautifully renovated kitchen with granite countertops. The living and dining area, complete with a cozy fireplace, offers spectacular views and is perfect for holiday hosting. Outside, enjoy a beautiful deck with Azek decking overlooking the ocean, or relax on the patio in the spacious yard ideal for grilling and outdoor fun. Modern updates include a 2-year-old tankless water heater and 200 amp electrical service. Built with 2x6 framing for enhanced insulation, this home is energy-efficient. There is no flood insurance required and there is 400 square feet of unfinished walk out basement that offers endless potential, ready to be transformed to suit your style. This home combines modern updates, efficiency, and unbeatable coastal living. Come on by Sunday from 12-2 for the first showing at the open house.
