Overview

Introducing a meticulously crafted masterpiece in the The Landings. This designers home is the perfect mixture of modern elegance and sophisticated living. With Architect John Gregory behind the build every detail is a testament to refined luxury and unparalleled craftsmanship. Natural light floods the open interior with vaulted ceilings, and golf course views from every room. The heart of the home features a gorgeous chefs kitchen with dual refrigerators, large island with waterfall quartz countertops, gas range, and hardwood oak flooring throughout. Enjoy grand spaces for entertaining with a fully equipped bar. The primary suite offers a custom closet, ensuite bathroom, and custom laundry room. Beyond, you will find another guest space that may be used as a home office, and another private large bedroom with ensuite bath upstairs. Home includes attached 2.5 car garage. From the modern interior to luscious greens outside, this home promises a lifestyle of refined luxury and comfort.
