Overview

This is your opportunity to live and work in the coveted town of Andover, and in the desirable Bancroft school district. Situated on a nearly 3/4 acre lot, this Multi-Level home has tons of living and entertaining space! The first floor has an open layout. The spacious living room is a great place to entertain, as is the formal dining room. The sunroom is conveniently located just off the nicely appointed kitchen. You can enjoy cookouts, or maybe your morning cup of coffee on the large elevated deck. The main bedroom features an en-suite bathroom. The carpeted large bonus room in the dry basement offers lots of flexibility. For many, the private, bright adjoining home office is a must. Located near Hwy 93, you are only 30 miles from Boston and a short drive to coastal beaches.
