Overview

Welcome to Serenity River Estates! If you have been looking for the perfect place to build, this is it! Tucked away in an amazingly peaceful setting, this new subdivision has 10 building lots of various sizes, a 2.64 acre pond for private community enjoyment and community river access as well! Minimal CCandRs will allow for you to have your dream country home with farm animals and full water rights! This property is sure to be the up and coming desired place to live! Serenity River Estates is true to its name, go out and experience it for yourself! Talk with me about our preferred builders or bring your own! Infrastructure will be final and ready for you to start building in the spring so be sure to secure your lot today!
