Overview

Compact, efficient one bedroom condo in desirable Cambridge Co-housing community. This move-in ready unit overlooks the mature landscaped courtyard and has lovely sunlight. Condo fee covers all heat, hot water, a/c and electricity - the extensive solar panel arrays and geothermal system provides much of the electric needs for the complex. The co-housing community has a common living room with baby grand piano, fireplace, huge kitchen with dining (inside and outside) capabilities, 2 bedrooms for overnight guests, teen and young kids playrooms, a gym, swingset, libraries, storage and an extensive vegetable garden. Did I mention bike and garage parking? Age of the residents in the community is from 1 year to 100 years! The unit is conveniently located between Danehy Park and Porter Square and close to Thistle and Shamrock, a neighborhood store. The unit may be small, but you'll have access to hundreds of additional sq ft of shared living space. Not just a condominium but a community
