Overview

This investment is more than it appears. The zoning allows for growth potential beyond the 2 existing units. Keep a simple investment, convert it into a single-family, or grow it to its max potential! No matter what option you consider, this investment deserves a look. 2 single units. Large lot. Single car garage. Rubber roof over lower kitchen reroofed in 2024. The lower unit had new carpet installed in 2024. Close to downtown and the riverwalk. A great first investment!
