Overview

ChatGPT Fantastic opportunity in West Revere! This well-maintained 2-family home offers excellent rental income potential. Unit 2: Located on the lower level, features 2 bedrooms, an open-concept living room and a kitchen, and access to the backyard. Currently rented for \$2,000/month, this unit is perfect for consistent rental income. Owner's Unit: Spanning the first floor, this spacious unit offers 4 bedrooms, including a master bedroom, 2 updated bathrooms, a large living room, and a kitchen. Ideal for owner-occupants looking to offset the mortgage or investors seeking solid returns in a desirable location. Everything was fully renovated by 2017, including a new roof, updated plumbing, solar panels (transferable), and gleaming hardwood floors throughout. The lower level and bathrooms in the owner's unit were also renovated in 2017. Don't miss this amazing opportunity!
