Overview

Ready to have wildlife as your neighbor? You have found the perfect place located just outside of Plantersville. Not very often can you find a home that has 6 outer walls full of spray foam insulation, a generator to run the whole home, 11 acres to raise horses or other animals, spray foam in the attic, full bathrooms in every bedroom, gated subdivision and driveway, RV connections for your guests, low tax rate and no HOA, and many more upgrades that are listed on the home upgrades document attached to the website of the home. Come see your next home.
