## Overview

\$1500 Concession Welcome home to this 4 bedroom traditional brick home in the quiet subdivision of Mistletoe Hills in Burleson. This Lennar built home has been meticulously cared for. The owner inspected and blue taped the entire home making sure the new owners feel as if they just left the Lennar sales floor. The unbelievable master closet looks like a boutique display, and you won't want to leave! The open concept downstairs combined with upstairs media room create a perfect setting for family and entertaining. Located near major highways, shopping, and restaurants, in addition to downtown Crowley and Burleson. The home has recently been painted in addition to several upgrades and repairs. Brand New microwave, new Toilet Seats, new living room fan with light, new smoke alarms, upgraded irrigation with rotating heads , new sod and landscaping, brand New Vinyl Plank Flooring, brand New Carpet, Brand New Epoxy Floor in Garage, Air Condition Serviced, Pest Control just done!
