Overview

It's your lucky day! This warm and inviting home in the heart of Woodbridge is back on the market due to financing issues with the buyer! This impressive home is in a prime location in Sachse with Wylie schools. You'll love the lush, mature, treelined streets. Spectacular, grand entry with a beautiful staircase, soaring ceilings and gorgeous, wood floors. This impeccable home is move-in ready. An over-sized living room opens into the kitchen and breakfast room creating a grand space that still has a cozy feel. The beautiful kitchen island has a brick facade adding so much charm! The serene owners retreat is the perfect space to relax and unwind with a spa like owners bath with dual vanities and dual closets! The media room and game room are absolutely huge along with 3 large secondary bedrooms. Head outside to enjoy your coffee or tea on the screened in back porch. Heavenly! This must be the place! Come take a look!
