Overview

Full gut 100K+2010 rehabbed one level home in prime location of the welcoming River Forest community awaits your presence! Come see this meticulously maintained home to know how one could easily settle in to its contemporary space that still maintains its traditional touches. Extra spacious rooms, exceptional closet space, master suite with walk in closet, two full bathrooms, large living room with gas fireplace, balcony off the eat-in kitchen, den nestled within, in-unit laundry room. Plantation shutters and hardwood floors throughout. Topped off with an immense terrace where current homeowners added built-in benches and greenery, with plenty of room left for a large patio table with chairs. Though off Lake Street, one doesn't hear a thing from its terrace, as its owners built an additional buffer to maintain privacy, peace, and quiet. Pet friendly, elevator building that is completely owner occupied (rentals not allowed). Included in purchase of this unit: Garage space #25, exterior parking space #33, and a storage locker #11 in the garage. Come claim this treasure today!
