Overview

Adorable 3 bed, 2 bath ranch home! This meticulously maintained home offers a cozy living room with fireplace and a great room with 2 walls of windows looking out to the fantastic view. A private primary suite offers dual closets and a spacious bathroom. The lower level is partially finished with double sided fireplace and workshop area. An attached 1 car garage and additional 2+ car, barn offers storage and the perfect space for a tinkerer. Conveniently located, this is a must see!
