## Overview

Exceptional Home in Sought-After Wexford Park This outstanding residence is a rare opportunity in the coveted Wexford Park neighborhood. The property has been meticulously renovated with the highest-quality materials throughout. It features four generously sized bedrooms and two and a half bathrooms. The open-concept design seamlessly integrates the kitchen, equipped with custom cabinetry and a quartz countertop, with the expansive living area, which includes a stylish fireplace. Adjacent to the kitchen, a sunlit corner room offers an ideal space for an office or study. French doors lead to a newly constructed covered porch with fresh concrete, perfect for enjoying the outdoors in comfort. This home exemplifies modern elegance and functional design, offering a refined living experience. Call for your Tour!
