Overview

Charming home located in Henry Clay Neighborhood. Step into this beautifully updated home with over 1400 sq ft of living space. The refinished hardwood floors and updated kitchen are a true highlight, featuring granite countertops, stainless steel appliances, newer cabinets. Just off the kitchen is the spacious addition offering versatile space perfect for a family room and dining room with lots of natural lighting pouring in through the large windows. The main level includes two bedrooms and updated bathroom with granite countertops, tile flooring and shower. Upstairs you will find a large loft area with endless possibilities-use as home office, workout space, or even additional bedroom. This home has it all-complete with a brand NEW HVAC, unfinished basement, large fenced in backyard, and storage building. Schedule your showing today!
