Overview

The appeal doesn't stop at the curb for this 3 bedroom charmer! With hardwood flooring, crown molding, arched doorways, and built-in cabinetry throughout, this home is full of character. The floor plan flows easily from the living room at the front of the home, through a formal dining room with space to entertain, into the kitchen updated with granite countertops and stainless steel appliances. A main floor bedroom and full bath as well as a versatile bonus room with French doors complete this level. Upstairs, you'll find two spacious bedrooms with ample storage in the built-in cabinetry, a large walk-in closet, and a full bath. Plenty of storage space is available in the basement and the 2 car attached garage. Enjoy the tree-lined lot from the deck, shaded with a pergola, that is the perfect spot for outdoor dining. Located near Grand Blanc High School. You won't want to miss this home!
