Overview

This Mid Century Ranch homes sits privately on the edge in the sought after Western Hills Estates neighborhood of Yucca Valley. Originally owned and built for a Hollywood actor, desert loving activist, and radio personality, this home is a piece of the desert history. On almost 1 acre, this corner lot has breathtaking view of city lights, surrounded by expansive views of natural desertscape and boulders. A harmonious blend of comfort and sophistication, this mid century maintains its charm while offering incredible indoor/outdoor flow with some renovation and restoration projects complete. Upon entering you are greeted with a large living room with gorgeous beamed ceiling and an abundance of natural light courtesy of strategically places windows that showcase the views. Behind the main house is a fully remodeled casita making this an opportunity for rentals or multigenerational living. This home boast Hollywood Glam meets Desert Style throughout, from the original built in record player to the unique layout. The property boast walkways and staircases that lead throughout the flora and fauna filled yard. Schedule an appointment today to check out this one of kind historical desert experience.
