## Overview

Modern 5-Bedroom, 3-Bathroom Home with Open Layout and Finished Basement This stunning 5-bedroom, 3-bathroom home combines contemporary design with a spacious open layout, offering plenty of room for comfortable living and entertaining. The great room seamlessly connects to the kitchen and dining areas, creating a spacious and inviting environment ideal for gatherings and family living. Click lock vinyl plank flooring throughout the home!! The kitchen is equipped with granite countertops, stainless steel appliances, a walk-in pantry, and a peninsula with a breakfast bar--perfect for casual meals and entertaining. The master bedroom includes a walk-in closet and a luxurious en suite bathroom, offering a private retreat. The split bedroom plan provides privacy, with bedrooms 4 and 5 located in the finished basement alongside a spacious family room and a full bathroom. Enjoy the outdoors with a covered front porch, a deck for entertaining, and a patio for relaxing in the backyard. The two-car garage provides ample space for parking and storage. This home is perfect for families seeking a modern, spacious design with plenty of living and entertaining options both indoors and outdoors. Close to The Branson Landing and Beautiful Table Rock Lake this home is all you can ask for!!!
