Overview

This Beautifully redone property is a perfect example of mixed use. This is a Commercially zoned old store front that has been beautifully remodeled including new asphalt black top, wonderful finishing touches of a master craftsman that make this feel like the perfect home, business or any combination of the two! Property could be used as a home, or even a Home with a commercial showcase front greatroom and office in the front of the building when you walk into this thoughtfully re-done property! (More Photos coming up Thursday August 1st!)
