Overview

Stunning home, just fully remodeled. This 3-Bedroom, 2-Bathroom home is move in ready. Features a new metal roof, new windows, new furnace, new hot water heater, new flooring throughout home, new kitchen and bathroom. Small basement, 10 x 10 perfect for storage. Highlights of this property are two heated buildings. The larger building is 24 x 58, this building is finished with an attached lean-to. The second building is 24 x 32, this building is heated and ready to be finished! Both buildings offer ample storage, possible guest quarters, a workshop, and unlimited possibilities. Nestled on 2.3 acres of land located near Higgins Lake!
