Overview

Say hello to this 1849 sq ft manufactured in 2010, home with a 10,004 sq ft lot. You have a great open space kitchen, dining and family room with a fireplace. which also opens onto the large living room and formal dining room or (what works for you?) The master tub is huge and you have porches on both sides of the home. BiG+ solar and 2 sheds. Easy care desert landscaping with a nice fence and plenty of parking. You are a few minutes from Deer Valley Shopping and Restaurants, close to Thunderbird Conservation Park plus Deer Valley Community Center and Park is 2 miles north and has classes, work out equipment and much more. A mile away from the 101 freeway and less than 2 miles from I-17. If you drive a lot, this is a great plus to be able to hop onto a freeway in a few minutes.
