Overview

Offering a stunning mountain view and rich in wildlife, this property is conveniently close to the city of Sierra Blanca, of route 1111. The land is ideal for recreational activities such as hiking, camping, and horse riding. Currently, the land is unimproved with no designated zoning for construction, and utilities are not present. However, future development has the potential to significantly enhance the property's value. The property is conveniently located approximately an hour's drive from El Paso. All images represent the surrounding area of the property. The pin location provided is an approximate indicator of the actual site. For more information call Hudspeth County.
