Overview

Nature lover's paradise! Meander through the pines and you will come upon the best kept secret in Fitzwilliam. Time to unwind and enjoy life where it's simple and peaceful. This log cabin has been a place the seller has enjoyed almost 30 years and is ready to pass it onto you to enjoy! Sit out by the water's edge and take in all what life is about on the water! Enjoy the simplicity of this two bedroom, one bath log home. Sleeping loft for the overflow guest. Cozy up on a cool fall day with a good book by the wood stove or enjoy the waterview from the heated three season porch. Bring your ideas for the full walkout basement offering views of the water. Great location, within minutes to the MA/NH border and within 30 minutes to Keene. Over 600' of private water frontage on Sportsman's Pond, which spans 152 acres. All set on 7+/- acres in the beautiful historical town of Fitzwilliam NH.
