Overview

This exquisite home in Lexington's Tuscany neighborhood is a must-see! Welcomed by mature, a stone archway, mahogany front door and 3-car garage you will instantly fall in love! As you enter the 2-story foyer you'll find a stunning refinished staircase and oak hardwood flooring. The beautiful chef's kitchen was recently remodeled with new cabinets, countertops, island (with beverage fridge) and appliances including a Zline microwave and professional dual fuel range. The primary owner's suite is located on the second level and features a spacious walk-in closet, double tray ceiling, updated tiled shower and soaker tub. Also on the second level are 3 additional large bedrooms and an updated full bath. Finished basement with an abundance of storage space, new full bath, bar area and home theater/rec room. Exterior features include the lovely backyard with privacy fence and landscaping, complete irrigation system, covered deck, hot tub and an adorable playhouse! The oversized 3 car garage features a custom garage organization system with shoe storage, coat closet, shelving, storage for your golf clubs and a saddle rack! Updated fixtures, louvered shutters throughout the first level. New landscaping, plus so much more! Short drive, walk or bike ride to YMCA, shopping, restaurants and entertainment. Easy access to interstate and downtown Lexington. Schedule your private tour today!
