Overview

This beautifully renovated 3-bedroom, 2-bath home on a corner lot in a cul-de-sac street with no HOA offers a blend of modern elegance and timeless charm. The spacious living room features high ceilings and a stunning floor-to-ceiling stone fireplace that becomes the focal point of the space. Large picture windows flood the home with natural light, enhancing the open and airy feel. The custom kitchen is a chef's dream, boasting quartz countertops, crown molding, a wood ceiling, and a designer backsplash that adds a touch of sophistication. A striking black iron spiral staircase leads to a versatile flex area, perfect for an office, loft, or game room. The outdoor space is equally impressive, with a lovely garden and a covered patio equipped with external fans, creating an ideal setting for outdoor relaxation. The well-maintained above-ground swimming pool, complete with equipment for easy maintenance, offers a refreshing retreat during warm days. Located in a convenient and quiet neighborhood, this home combines comfort, style, and functionality, making it a perfect place to call home. Ask to see the upgrades list
