Overview

This stunning new construction home offers 4 bedrooms, 3 baths, and a 2-car garage. The elegant design features a formal dining room and a gourmet kitchen with granite countertops, a tile backsplash, an oversized island, a walk-in pantry, and stainless steel appliances, including a vent hood. The kitchen opens to a large deck that overlooks the expansive backyard perfect for entertaining. Upstairs, you'll find two spacious Jack-and-Jill bedrooms sharing a beautifully designed bathroom with double vanities and a separate shower/commode area. The oversized Primary Suite features a luxurious bathroom with double vanities, a free-standing tub, a beautifully tiled shower, and a large walk-in closet. This home also includes an expansive unfinished basement, offering endless potential for customization. With its impeccable design and prime location, this property won't last long schedule your tour today and let your clients envision their future here!
