Overview

Welcome to this WELL-MAINTAINED and DETAILED 3-bedroom, 2-bath twin in the heart of revitalized South Bethlehem. You will appreciate the owner's passion, as he meticulously renovated his home, inside and out. Be wowed as you first set eyes on the home's facade with the perfect blend of stone and stucco. Upon entering, you'll fall in love with the OPEN CONCEPT flow of the Living/Dining Room and into the modern, eat-in kitchen, accented by a cozy breakfast bar, perfect for that morning coffee. Looking for laundry on the 1st floor? You'll delight over the laundry/bath room combo off of the rear hallway! Upstairs you'll find 3, nicely-sized bedrooms, all with closets and updated flooring and a full bathroom with its original, classic-style tile. Need more living space? The full basement includes a bar area, a second laundry area, plumbing-ready for a 3rd bath and tiled floor, perfect as a rec room! The exterior provides an outdoor oasis with a huge, wrap-around deck, landscaping showcased by decorative stone, beautiful potted flowers/fauna, manicured lawn, and a fence adorned with greenery, providing privacy and serenity! This home's beauty is in the details w/ recessed lighting, upgraded moulding, and nice finishes. Move in feeling secured with a Newer Roof, gas Boiler and W/H, replacement windows, list goes on.. Your new home's location is a commuter's/walker's dream as Wind Creek Casino, SteelStacks, schools, park, the Greenway, dining, Rts. 378 and 78 are all close!
