Overview

This charming 3-bedroom, 2-bathroom ranch is nestled on a private lot just under an acre. With everything thoughtfully laid out on one level, this home boasts an inviting floor plan that makes everyday living a breeze. Start your day with a cup of coffee or wind down in the evening on the charming front porch, perfect for relaxation and enjoying the serene surroundings. The home features a huge master suite, and two other good-sized bedrooms. Large closets throughout the home and a 2-car detached garage ensure plenty of storage space for all your needs. Step out back to a private, shaded yard with tons of space for entertaining or simply hanging out with family and friends. Move right in and enjoy the peace of mind with updates including a brand new septic system, new roof, new AC, new dishwasher, and a newer water heater.
