## Overview

Welcome to this stunning, energy-efficient 5-bedroom, 4.5-bathroom home nestled on a sprawling 1.7-acre lot. With nearly 3,000 square feet of living space, this property offers a perfect blend of luxury and comfort. The spacious layout includes two inviting living areas, ideal for family gatherings and entertaining guests. The eat-in kitchen features ample counter space and modern appliances, making meal prep a breeze. The master suite is a true retreat, complete with dual walk-in closets for plenty of storage. Two of the remaining bedrooms feature ensuite bathrooms while the other two are joined by a Jack and Jill bathroom. Step outside to your expansive backyard featuring an extended covered patio with plenty of room for a pool and outdoor entertainment areas. A 3-car garage adds convenience and extra storage, ensuring all your needs are met. This home is a rare find, offering space, luxury, and endless possibilities in a peaceful setting yet still close to city amenities.
