Overview

Welcome to 1750 Celtic Way, a beautifully crafted 7-bedroom, 4-bathroom home and an office with a paved driveway on a fully fenced 2.5-acre lot. Featuring real hardwood floors throughout, this home offers both elegance and functionality. The main level boasts 5 bedrooms, including a spacious primary suite and a convenient laundry room with the washer and dryer included. While downstairs you'll find 2 additional bedrooms and a home office. The deck is perfect spot for entertaining or enjoying your morning coffee you can access the deck from the living room or the primary suite. A standout feature is the 60x60 free span insulated shop, complete with a 15, 000-pound car lift and 6-inch thick concrete slab and 3- 12 x 12 bay doors. The shop also has power for RV parking, and the property includes a chicken coop and additional shed for extra storage. The property is fully fenced with a sprinkler system for low maintainance. This home has ample space but close prime locations for shopping or dining. Schedule your tour today to see everything this incredible and rare property has to offer!
