Overview

Slight buildable Mtn slope lot. Young, easy-to-remove trees, mostly cleared and leveled. Quiet private. Nestled in the tree garden of south Asheville, aka Arden, NC. Lovely views, pristine secluded secure community, close to all Asheville offers! Minutes to the wellness Ctr. and Communities aplenty for all lifestyles. Paved roads. Underground utilities. Weekend family compound for retirement. Outdoor enthusiast Nirvana. Overall, this lot is a great option for someone looking to build a home in a peaceful, private community with easy access to amenities and outdoor activities. With paved roads and underground utilities, it offers convenience and a lovely mountain setting. It may be beautiful for outdoor enthusiasts who want to be close to the Walnut Cove Exclusive, Wellness Center, the indoor/outdoor pools, trails, and more! Additionally, its slightly sloped terrain and young trees make it a potential option for someone looking to design and build their dream mountain home.
