Overview

100% all brick home sitting on a fabulous corner lot in NWA's most central location - Lowell! This split 3-bedroom 2 bath home has quite a few updates and is move-in ready: newer roof, hot water heater, custom kitchen cabinets, granite countertops, carpet and interior paint throughout. Spacious living room with engineered hardwood floors, lots of natural light and is open to the kitchen and formal dining area. Tons of extra space for storage, a boat or a larger vehicle in the oversized 2 car garage. Backyard is fully privacy fenced with a double gate, playhouse, patio and plenty of room for a garden. Call for an appointment today - easy to see!
