Overview

Rd is town rd where paved and private where gravel starts. All measurements are approximate. Escape to this 4-season, 3-bedroom, 2-bath cabin with a 17x30 garage insulated garage finished with OSB with lots of storage plus an attached 22x9 guest suite finished in knotty pine featuring the 3rd bedroom and 2nd bath that your guests will love! Nestled on a level lot with sand/gravel frontage on the 433-acre Jersey Flowage, known for its stable water levels, this property offers exceptional fishing Perch in the Spring, Bass in the Fall right from your private pier! Whatever the season, the serene water view from the cabin is truly unbeatable. And in the winter, that same view affords a cozy warmth from the stone fireplace with efficient pellet stove insert. Recent upgrades include the kitchen, bath, flooring, added insulation in both cabin and attic. Appliances and small pier are included. Perfect location just south of Hwy 8 for easy access to all Northwoods opportunities but no need to go home as you can come back to your own little slice of heaven in the Northwoods!
