Overview

Welcome to your dream home! This fully renovated and expanded home provides a spacious open floor plan with two-story ceilings overlooking an elegant gas fireplace central to the living room. A gourmet kitchen boasts high ceilings and a quartz island that invites the entire family to gather around. A dining space just off the kitchen welcomes dinner parties and indoor/outdoor living. A generous first floor bedroom with a walk-in closet awaits guests with a full bathroom conveniently close. The second floor provides an amazing primary bedroom with an en suite bathroom and a dressing room. A second floor laundry room, two more generously sized bedrooms, and another bathroom will keep your family running efficiently. The finished lower level provides bonus conditioned living space. The two car garage is adventure ready with bonus storage space for toys and tools and level 2 EV charging. Efficiency abounds with tankless water heating and air source heat pumps heating and cooling.
