Overview

Check out our new screened-in porch in the newest building -now in construction! The open concept living spaces you'll find soaring cathedral ceilings, fireplace, stylish floors underfoot, abundant soft-close cabinetry with 42" uppers, elegant quartz countertops, all of your kitchen appliances, and triple sliding door overlooking the golf-course views. In the master you'll find a stunning custom tile shower with glass enclosure paired with on-trend custom vanity. In the lower level there's a great family room with 9ft. ceilings and daylight windows, 3rd bedroom, and 3rd bathroom. The fantastic screened-in porch overlooks the prestigious Sand Creek golf course. Additional upgrades include custom lighting fixtures, composite deck, custom backsplash, soundproofing, tankless water heater, and more! Don't miss this home located just minutes from the IN Dunes, commuter expressways, and the vibrant downtown district! Hurry to make your own selections! Photos are of another home recently completed and are representative.
