## Overview

Envisioning your dream home on a spacious 1.25-acre lot in Okeechobee County offers the perfect blend of privacy and accessibility. The area is not just a haven for those seeking solitude but also a paradise for outdoor enthusiasts. The nearby Kissimmee River Preserve State Park and the flowing Kissimmee River into Lake Okeechobee are hotspots for some of the best fishing experiences. Whether your interests lie in fishing, hunting, agriculture, or simply enjoying a private life away from the hustle, this locale promises a lifestyle filled with the joys of the natural Floridian landscape. The lot located behind this property is also available to be able to make this a 2.5 acre lot, please ask for more information!
