## Overview

BEAUTIFUL and bright is this like-new home in desirable Easton Village. Better than a model home as it has all the upgrades you want: Quartz countertops, dual-open blinds, upgraded tile surround fireplace, fully tiled primary shower and tub, Cat 5 fiber, designer lighting, etc. Spacious gourmet kitchen with extra large island, gas stove and large pantry. Great office space on main level with French doors (possible playroom/music room). 3 large bedrooms upstairs plus a loft area as a 2nd tv space or homework area. Relax after busy day in your Primary bedroom ensuite with separate soaking tub, plus custom shelves in huge walk-in closet. Fully insulated garage also has extra outlets for those projects. Lower level walkout is a blank canvas if you ever need more space. Smart house with app for lighting and irrigation. This home has everything and is in the perfect location. Welcome Home!
