Overview

Welcome to your newly renovated 3 bed 2 bath Sandpiper Bay Golf Course view condo! No steps to climb here! Step right into the heart of your condo where a completely renovated kitchen awaits. It features upgraded appliances, cabinetry, granite countertops with a large breakfast bar, perfect for entertaining. Check out the freshly painted living room area that shows a view of the golf course through the window. The master bathroom has a new vanity and a spacious, rejuvenating shower that gives you the look and feel of your very own spa. Throughout the condo you will find brand new flooring that ties the space together seamlessly. Sit on your back screened In porch while enjoying the golf course pond view. Looking for an upgraded condo with no stairs and a view? Don't miss the opportunity to make this exquisite condo your new home!
