Overview

This home sits in an incredible location that backs up to green space, and offers a rare combination of value and natural beauty. The kitchen boasts maple cabinets and sleek, updated quartz countertops. A custom-built nook, table and bench offers a charming and functional dining space. The cozy living area features a gas fireplace, perfect for relaxing evenings, while refinished hardwood floors add a timeless appeal. New flooring in the half bath and laundry room further enhances the homes value and look. Upstairs, you'll find a large vaulted bonus room, offering ample space for a variety of uses. The vaulted primary suite is a true retreat, with both a walk-in closet and secondary closet for abundant storage. The en-suite bathroom is a standout, featuring heated floors, a double sink vanity, and a beautifully updated tile shower. The second remodeled bathroom also includes a double sink vanity, ensuring convenience for family and guests alike. Throughout the home, all-new LED lighting creates a bright, energy-efficient atmosphere, while all-new toilets add to the homes thoughtful updates. The exterior is equally impressive, with TimberTech composite decking that overlooks green space, multiple fruit-bearing trees, gorgeous flowers, and a picturesque wrap-around porch. An insulated, brand-new two-car garage door adds to the homes curb

appeal and functionality. This property is truly a blend of modern updates, natural surroundings, and exceptional valueperfect for anyone looking for both comfort and style. OPEN House SA 9/7 10A-1P and Su 9/8 3-6P.
