## Overview

Embrace Tranquility in this Beautiful Chino Hills Residence. Nestled behind lush landscaping and a charming front porch, this home offers a peaceful escape with ample space for your morning coffee ritual. The chefs kitchen features top-of-the-line built-in appliances, including an oversized refrigerator, oven, microwave, and warmer. Its elegant cabinetry, stylish countertops, and backsplash are complemented by a functional breakfast bar. Sunlight pours through elegant shutters, illuminating the gorgeous hardwood floors. The family room, with its inviting fireplace and expansive windows, provides serene views of the landscaped backyard, while the cozy den, with its custom built-ins, offers additional comfort. The upstairs primary bedroom is a luxurious retreat, complete with an en-suite bathroom featuring dual vanities, generous closets, a skylight, a soaking tub, and a tiled shower. Two additional guest bedrooms, each with ceiling fans and distinctive wood accent walls, share a spacious bathroom. Outside, enjoy tiered greenery, a built-in barbecue, and a large patio ideal for entertaining and savoring the privacy of this picturesque setting. Located in walking distance to multiple parks, and close proximity to shopping, restaurants and much more. Live Beautifully in this quintessential home!
