Overview

Welcome to your new home, where lush landscaping and a central pergola create an inviting courtyard leading to the secure entry of your building. Elevated just enough to offer privacy and security, this two-bedroom unit combines vintage charm with modern conveniences. Enjoy hardwood floors, an updated bath, a spacious balcony, and a contemporary kitchen featuring maple cabinets, stainless steel appliances, and in-unit laundry. Perfect for commuters, this location is just steps from the Blue Line, with easy access to the Metra and Green Line as well. Nearby, you'll find a vibrant neighborhood with top-rated restaurants, a bakery, pet care services, ice cream shops, florists, and grocery stores-all just a few blocks away. Relax on your east-facing balcony at sunrise, or grill a meal on the private community patio surrounded by beautiful perennials and vegetation. Additional perks include lower-level storage and a bike area. Discover the many hidden gems of this central location and make it your own.
