Overview

What a beautiful place to call home! Location is secluded and quiet, and home is lovely and updated. Well maintained, and ready for new owners to move in and get cozy. New roof in 2019, new pellet stove, new microwave, new dishwasher, new flooring and interior paint. Large deck with hot tub and LOTS of privacy. Full of natural light and views to outdoors. Cherry, walnut, apple and dogwood trees, plus a stream. Nice mix of sun and shade for relaxing and growing veggies. Covered pet pens. TWO new storage sheds 10x13 and 12x18. Lots of parking for cars, boats, RV or toys. Feels like country, but short trip to town. This is priced to sell, make an appointment to see right away, don't miss this one. Please, NO drive by's, very private location and pets on site. Back on market due to buyers' timelines, no fault of property.
