## Overview

ADORABLE AND PRISTINE. Built in 2012 with Craftsman charm including the classic covered front and back porches! Per survey, home sits on .26 acres, and is within walking distance to downtown Rockwall! Hardwoods throughout living, dining, kitchen, breakfast, and primary bedroom, and new carpet in upstairs beds and living. Expansive living with high ceilings and natural lighting. Fabulous eat-in kitchen features ample cabinets, quartz counters, tile backsplash, recessed lighting, and farm sink. Generous en suite primary bedroom with wall of windows and room for flex space. Recently renovated primary bathroom with walk in closet, new shower, sink, mirror, tile, and storage cabinet. Both secondary bathrooms are completely renovated with new tile, cabinets and bathtub. Fresh paint inside and out and brand new roof! BONUS private gated area to park an RV with a 30-amp plug. Oversized garage and private backyard. Corner lot to the left of the home is part of the property, so room to grow!
