Overview

Take a look at this 3000 sq. ft+ building downtown. This building has been the location of a great family-owned business for many, many years. Newer Roof and HVAC. Includes Large showroom with even more space if needed, 3 office areas, 1 bathroom, roll up door in back for loading and unloading. So many possibilities here! Zoned C2 can be commercial, residential or multi-family. Easily remodeled for more bedrooms/bathrooms.
