Overview

Investors Special This 2074 square foot 3 bedroom, one bath home is waiting to be remodeled for that special individual or family. This property is conveniently situated on a .75 acre lot near schools, parks, and local amenities, ensuring a convenient and enjoyable lifestyle. Mt. Gilead offers a tight-knit community and a small-town charm, where neighbors become friends. Property being sold As Is All showings must be accompanied by a licensed real estate agent and listing agent must be on site due to the poor condition of the structure. Because of condition of the property, it has not been professionally measured and the square footage is based on tax records. More pictures to come.....
